WORK EXPERIENCE

Jr. Software Engineer

Differenz System India

02/2022 - 10/2023

Surat

Achievements/Tasks

- Prepared systems to handle sudden spikes in traffic by implementing horizontal scaling solutions using technologies like AWS Elastic Load Balancer or NGINX reverse proxy server configuration. Ensured seamless performance even during peak usage periods with zero downtime incidents.
- Integrated third-party payment gateways effectively, ensuring secure online transactions and improving customer trust.
- Successfully integrated push notification service, enabling real-time updates for users.

EDUCATION

Master of Computer Application (MCA)

Veer Narmad South Gujarat University
